New for Spring 2017...

Your Wonderful Woodland Wedding

Morley Hayes Woodland Wedding Days offers you the chance to take your vows, whilst being at one with nature.

If your dream wedding is full of forest ferns, rustic romance and magical memories, you need look no further.

Your ceremony will take place, nestled amongst wild flowers, such as Solomon's seal and Lily of the Valley, shrouded beneath spectacular towering pines, horse chestnut and beech trees, with an expanse of breathtaking views beyond.

Our wedding lodge will be a private and secluded open structure, offering an enchanting setting for your special day; guests can join the intimate ceremony, seated on oak benches, beside the old-fashioned lych-gate, overlooking Morley Hayes woods. An idyllic location for wedding photographs too.

Following the ceremony, take a short walk through the woods to the lower glade, to enjoy a celebratory glass of champagne with family and friends to toast your future married life together.

This is a truly Midsummer Night's Dream-style occasion, in a glorious setting: the perfect potion for true love and happy ever after.
