Many of our valued customers have varied dietary requirements. We are more than happy to accommodate where possible; some of us are avoiding carbs, others are looking for a gluten free dish and then of course some are vegetarian or vegan.

It is the responsibility of the guest to inform our staff of any special dietary requirements. In accordance with legislation we are obliged to inform you if any of our dishes contain certain allergens. Allergen information relating to all our dishes is available and was correct at the time of printing; however, due to preparation it is not possible to guarantee the total segregation of any allergens. We rely on the suppliers of our ingredients to update us of any changes they make.
